For the various churches that help...

June, July, and August, we do not have our high school volunteers. It would be greatly appreciated if youth from your church would be responsible for various months. Please call me at 359-5792 if you would like to schedule a summer month for your youth group!

Volunteers...

If for some reason you cannot make pantry please contact me at 359-5792 so that I can make arrangements for someone to fill your spot. Pat Martin.

Thank you for your continued Support!
