

Lutheran Social Services of South Central  
Pennsylvania is asking **YOU** to join us  
in touching the lives of Adams County residents!

Touch-a-Life is seeking volunteers who are interested in making a difference. A variety of opportunities are available for different age ranges and skill sets.

Services you may provide as a Touch-a-Life volunteer include:

- Companionship / Friendly Visitation
- Respite for Caregivers
- Letter writing/reading
- Telephone Visitation
- Assistance with Errands
- Transportation Services
- Meal Preparation
- Household Chores
- Outdoor Chores
- Minor Repairs
- Assistance with Hobbies

Although we have an existing number of faithful volunteers, requests for Touch-a-Life services outweigh our current volunteer pool. You can touch a life by helping us serve those in need in our community.
