

## ROTARY INTERNATIONAL GOALS 2005-2006

- The membership goal will be for each club to achieve, by April 2006, a net increase in membership of one or more Rotarians.
- Other RI-level goals include developing a separate extension committee for Cuba.
- Emphases include Literacy/Education and Water Management, Health and Hunger.
- Focus areas include Public Image, Women in Rotary and Youth Exchange.

## DISTRICT VISION

Our Vision is of a world-class district:

- Focusing on RI goals, themes and projects
- Providing measurable support to club efforts to fulfill the ideal of service
- **Seeking greater club involvement at the District level**
- Supporting local clubs as they expand both in number of clubs and with growing and diverse memberships
- **Facilitating leadership development**
- **Recognizing individual and club achievement**
- Encouraging individual participation in the Rotary Foundation
- Continuing to emphasize the profound simplicity of the 4-Way Test in all aspects of human relations.
